

# school leaver employment supports SLES

**Transitioning from school to work can be challenging, but also exciting and rewarding! We cannot wait to be a part of your journey to achieve your career aspirations.**

## School Leaver Employment Supports explained

SLES helps participants understand their employment potential, and gain the skills and confidence to work towards their employment goals.

It is designed to help young adults develop skills to gain employment as they transition from school in to the workforce.

## What to expect

SLES is a tailored solution that is built around the unique career goals and relevant skill development requirements of each client.

Our skilled team will work with you to develop a plan that is person-centred, individually tailored, strategic and planned so participants of varying skills and needs can reach their employment goals.

## What Multicap Tasmania offer

Your SLES program will be unique to you and your employment aspirations. Your personalised program may include:

- Exploring job opportunities to decide on a career path
- Support in accessing and completing education and training
- Developing employment skills including: money handling, time management, communication, information technology and teamwork
- Learning specific job skills such as customer service techniques, how to operate equipment and administration processes
- Work experience on the job
- Learning how to apply for a job, prepare for an interview and how to get ready to start your new position

## who is it for

NDIS participants (18 years and over) at the end of their secondary schooling or recent school graduates

## when and where

Your SLES will be developed with you to meet your specific goals. The time and locations will vary in line with your needs
