Two leveled home with stunning gardens and views

This amazing two storey home is the perfect haven for lovers of the outdoors. A large deck is perfect for barbecues in the warmer weather while a leveled garden provides beautiful, green views around the home, fresh lemons and plenty of space to relax and take in the views.

Play a game of pool with your housemates, cook in the large kitchen, tinker in the workshop or kick back and watch your favourite TV show... the choice is yours.

With easy access to Multicap Tasmania's Burnie hubs (Miranbeena, Westwood and Panorama) and a short walk to the shops and View Road Reserve, there's so much at your doorstep.

Located at the top of a hill with stairs in the home and garden, this home is designed for ambulant residents.
